

Expression of Interest – Reconciliation Advisory Committee

Pyrenees Shire Council is strongly committed to the ongoing process of reconciliation, which has been demonstrated by the implementation of our Reconciliation Action Plan 2021-2024.

Council currently has a Reconciliation Advisory Committee comprised of residents and local organisations with a strong connection to the Pyrenees municipality.

We are again seeking interested community members to join our Reconciliation Advisory Committee. If you are keen to contribute reconciliation at a local level, whether you are already actively involved in this space, or looking to be more involved in positive community change, then we would love to hear from you!

We strongly encourage Aboriginal and Torres Strait Islander community members to apply, as well as non-Indigenous community members. Committee members will be selected based on their demonstrated commitment to reconciliation and/or an expressed desire to make positive community change, as well as by having a strong connection to the Pyrenees municipality (e.g. as a resident, ratepayer or employment at a local organisation).

Meetings will be held at least twice a year at a Council venue at a time suitable for committee members.
